

FOX CITIES EVENTS

Money Smart Week Fox Cities is a public awareness initiative with the goal of helping you build your financial knowledge so you can deal with your own money more quickly, confidently and responsibly.

Money Smart Wisconsin is highlighted in April, National Financial Literacy Awareness Month, a collaborative effort by state and federal agencies and private-sector groups working to raise awareness of financial literacy. The Governor's Council on Financial Literacy and Capability, in partnership with the Wisconsin Department of Financial Institutions (DFI), is spearheading the Money Smart Wisconsin campaign along with many other groups.
